"LA JOURNÉE FRANÇAISE"

Le 13 Février 2023

GMIS Jakarta, 13th February 2023

Bonjour! We are delighted to share with you the exciting news of French Day celebrations that took place on the 14th of February 2023. The Primary and Senior School students came together to celebrate the vibrant and rich culture of France.

The day was filled with an array of activities, including musical performances, cultural quizzes, and Galettes de Rois. However, the highlight of the event was the incredible performances of French songs and poems. The students and teachers of PYP and Senior School worked tirelessly to put together a mesmerizing show that left everyone in awe.

The performances included popular French songs such as "La Vie en Rose" by Edith Piaf, "Je Veux" by Zaz, "Eblouie Par la Nuit" by Zazie, and "Aux Champs-Élysées" by Joe Dassin. The students showcased their talent by singing these songs in perfect French accents, accompanied by soulful music.

In addition to the song performances, the students and teachers also presented a beautiful poem in French, which added to the cultural essence of the event. It was heartwarming to see the passion and enthusiasm of the students, who were eager to showcase their French language skills and their love for French culture.

To top it all off, was the cultural quiz, where the students had to answer questions about French history, culture, and geography. The quiz was competitive, and the winners received an invite to participate in eating the "galette". The winners, along with teachers, enjoyed the traditional French cake, "Galette de Rois," which is

a puff pastry cake filled with almond cream. The cake was delicious, and everyone enjoyed it. Those who had the "Rois" in their piece were crowned as king and queens.

The event was a huge success, thanks to the hard work and dedication of the students, teachers, staff members and the support of our dear Principal Mr. A.P. Singh. The celebrations not only enriched the cultural awareness of the students but also gave them an opportunity to appreciate and celebrate the diversity and richness of French culture.

Overall, French Day was a resounding success, and we look forward to more such events that promote cultural exchange and appreciation among the GMIS community. Merci beaucoup!

Fiorenza and Anirudh, hosted the programme very well. Fiorenza spoke French beautifully and Anirudh has a quick-witted humor; their chemistry as hosts was a treat to watch.

Hyori Mika (11B) recited 'Le Pont Mirabeau' a poem with refrains that gracefully repeat throughout the piece like a song

Biancy Alayna (11A) does one of the things she does best; singing. This time she blesses our ears with her performance of the song 'Éblouie par la nuit'

Students of PYP; Dheeran; Tayyiba; and Sally enthralled everyone with their song 'Frère Jacques'
